PROFESSIONAL SUMMARY

UI/UX Designer with experience designing responsive and WCAG-compliant web and mobile interfaces. Strong background in information architecture, interaction design, user research, and usability testing. Skilled in creating wireframes, interactive prototypes, and user flows that translate ideas into user-centered solutions aligned with business goals.

SKILLS

UI & UX Design: User Interface Design, User Experience Design, User Research (Foundational), Interaction Design, Wireframing, Low-Fidelity & High-Fidelity Prototyping

UI Systems: Design System Fundamentals, Reusable UI Components, Visual & Layout Consistency, Developer-Ready Design Handoff

WORK EXPERIENCE

CODR **Calbayog, Samar, Philippines (Remote)**

UI/UX Designer August 2025 - January 2026

- Led end-to-end UI/UX design for a large-scale CRM system, including user research, wireframing, high-fidelity prototyping, and developer handoff to support efficient workflows.
- Designed intuitive user flows, dashboards, and data-driven interfaces that improved usability, clarity, and engagement for internal teams and external stakeholders.
- Collaborated closely with developers, project managers, UX Director, and stakeholders to deliver scalable, consistent, and business-aligned design solutions.
- Created responsive desktop and mobile UI designs for blockchain and AI platforms (GhostWriter), translating complex technical concepts into clear, user-friendly experiences.
- Designed premium digital experiences for brands such as Manhattan Furniture and Bobavida, including responsive websites and email campaigns with strong visual hierarchy, typography, and CTA optimization.

Elephant in the Boardroom **Oriental Mindoro, Philippines (On-Site)**

Internship - UI/UX Designer and WordPress Developer February 2025 - May 2025

- Designed and developed responsive website interfaces for Quisha's Kitchenette Restaurant using Figma and WordPress, focusing on clear navigation, visual consistency, and user-friendly UI/UX across devices.
- Collaborated with the lead designer on the redesign of PrimeLending Solutions and BangPop websites, contributing to layout refinement, accessibility considerations, and improved visual clarity.
- Conducted usability, accessibility, responsiveness, and cross-browser testing (Chrome, Microsoft Edge, Brave) across desktop, mobile, and tablet devices to support consistent user experience.

UI/UX Designer **US-Based Clients (Remote)**

Freelance July 2022 - January 2025

- Designed user-centered web and landing page interfaces by translating client requirements into wireframes, high-fidelity UI, and interactive prototypes using Figma.
- Collaborated directly with US clients and developers to iterate on designs, apply feedback, and prepare developer-ready files for handoff.
- Applied usability and accessibility best practices to improve layout clarity, responsiveness, and overall user experience across desktop and mobile views.

EDUCATION

Bachelor of Science in Information Technology **June 2021 - June 2025**

Mindoro State University - Calapan Campus
